Are you interested in taking part in a trial about the use of nicotine patches and e-cigarettes to help you quit smoking?

We are inviting over 1800 people who smoke and want to quit to take part in a clinical trial that involves the use of nicotine patches and e-cigarettes.

We are looking to enrol people who:

- live in New Zealand
- are 18 years or older
- can provide verbal consent
- have access to a telephone (mobile and/or landline)
- are prepared to use a nicotine patch or a nicotine patch and an e-cigarette to help them quit smoking

If you are interested in taking part or would like to find out more about the trial please contact us:

- Ring: 09 923 1751 or 0800 367 644
- Email: ascend-2@auckland.ac.nz
- Website: http://ascend2.nihi.auckland.ac.nz
- Facebook: ASCEND2trial

We are recruiting NOW

The trial is being carried out by the National Institute for Health Innovation, University of Auckland. It is funded by the Health Research Council of New Zealand.

The trial has been approved by the Northern A Health and Disability Ethics Committee (15/NTA/123/AM05).
